Card payments are processed by Worldpay who use the above information to validate and authorise the payment. Worldpay will email you with confirmation of the transaction when the payment has been processed.

Please note the minimum computer requirements for ATRAR: Pentium 200 or faster, 64Mb RAM, Windows 95 or later and approximately 14Mb free hard disk space. As more data is added the data file will slowly grow in size, hence ATRAR will take up more disk space than the minimum specified above.
